

**AGENDA BILL
CITY OF BREMERTON
CITY COUNCIL****5J**

SUBJECT: Amendment No. 1 to
Professional Services Agreement with
GeoEngineers, Inc. for the Bremerton
Gasworks Phase II – Environmental Site
Assessment

Committee Meeting Date: May 9, 2007

COUNCIL MEETING Date: May 16, 2007

Department: Public Works & Utils.

Presenter: Dan Miller

Phone: 473-2314

SUMMARY: The City entered into an agreement with GeoEngineers, Inc. on December 20, 2006 to assist the City with the preparation of an EPA-Assessment Cooperative Agreement Work Plan, and provide assistance to the City and EPA with the summary of findings relative to the completion of the Phase I - Environmental Site Assessment (ESA). The amount of this initial contract agreement was \$20,000.00. The Amendment No 1 before Council increases the contract amount by \$115,400 to a not-to-exceed amount of \$135,400 to complete this next Phase II - ESA scope of work with an established end date that is consistent with the completion date stated in the EPA Grant.

ATTACHMENTS: 1.) Council Summary; 2.) Aerial Photo; 3.) Amendment No.1 to the Professional Services Agreement; and 4.) Exhibits A & B.

FISCAL IMPACTS (Include Budgeted Amount): The amount of this amended Professional Services Agreement is increased \$115,400 to a not to exceed amount of \$135,400. In support of this increase was a 2006 budget adjustment to receive the EPA Grant funds offered to the City in the amount of \$200,000. The 2006 carryover budget for Fund 308 "General Government Improvement" supports this amendment.

APPROVALS:DEPARTMENT DIRECTOR: CITY ATTORNEY: FINANCE DIRECTOR: MAYOR: COMMITTEE CHAIR: COUNCIL PRESIDENT: 

CONSENT AGENDA	<input checked="" type="checkbox"/>
GENERAL BUSINESS	<input type="checkbox"/>
PUBLIC HEARING	<input type="checkbox"/>

RECOMMENDED MOTION: Move to approve Amendment No 1 to the existing Professional Services Agreement with GeoEngineers, Inc. and authorize the Mayor to finalize and execute the agreement with substantially the same terms and conditions as presented.

COUNCIL ACTION: ☐ Approve ☐ Deny ☐ Table ☐ Continue ☐ No Action

COUNCIL SUMMARY

AMENDMENT NO. 1

GEOENGINEERS, INC.

ASSESSMENT COOPERATIVE AGREEMENT WORK PLAN

PHASE II – ENVIROMENTAL SITE ASSESSMENT

BREMERTON GASWORKS & MCCONKEY/SESKO PROPERTIES

On September 19, 2006, the U.S. Environmental Protection Agency (EPA) provided the City of Bremerton (the City) a Phase II - Environmental Site Assessment Grant in the amount of \$200,000. On October 18, 2006, City Council approved the acceptance of this Grant while also approving a budget adjustment for the receipt and expenditure of these funds, Fund 308 "General Government Improvement" (AB#06-219).

As part of the EPA-Grant is the Assessment Cooperative Agreement Work Plan. The major portion of this Assessment Work Plan, in the amount of \$181,500, is Task 3: Site Investigation & Analysis. The Task 3 includes, but not limited to, site characterization activities outlined in the Amendment No.1 Exhibit A, "Scope" and Exhibit B, "Compensation" that involves the preparation of the Sampling Analysis Plans (SAP), Quality Assurance Project Plan (QAPP), Health and Safety Plan (HSP), installation of direct borings, laboratory analysis, and data evaluation. In order to continue with Task 3 of the Assessment Work Plan the current PSA with GeoEngineers, Inc. requires modification and approval by Council.

The request before City Council is the approval to modify this PSA with GeoEngineers, Inc. to include the expanded "Scope" and "Compensation" as outlined in Amendment No.1, Exhibits A and B.

**AMENDMENT NO. 1
PROFESSIONAL SERVICES AGREEMENT**

GeoEngineers, Inc.

Phase II – Environmental Site Assessment

The City of Bremerton (City) and GeoEngineers, Inc (Consultant) desire to supplement the Professional Services Agreement executed on December 20, 2006.

All provisions in the Agreement remain in effect except as expressly modified in this Amendment No. 1 as follows:

Paragraph I, Scope is revised as follows: The first sentence in this paragraph is eliminated and replaced with the following: "The Consultant agrees to perform the services more specifically described in the Scope of Services, Exhibit A, Amendment No. 1, which is incorporated by reference herein."

Paragraph II, Term is revised as follows: The language "as provided in the work schedule attached herein as Exhibit B" is eliminated and replaced with "by September 30, 2009, consistent with the completion date of the EPA Grant."

Paragraph III, Compensation is revised as follows: In the first sentence of the paragraph \$20,000 is replaced with \$135,400 as set forth in Exhibit B, Amendment No. 1. In the entire paragraph replace "Exhibit C" with "Exhibit B, Amendment No. 1."

In witness whereof, the parties have executed this Amendment and agree to the changes as stated above as of _____, 2007.

SUBJECT: EPA Grant Acceptance – Phase
II Environmental Site Assessment - Old
Bremerton Gasworks & McConkey/Sesko
Properties

Committee Meeting Date: October 11, 2006

COUNCIL MEETING Date: October 18, 2006

Department: Public Works &
Utilities

Presenter: Dan Miller

Phone: 473-2314

SUMMARY: The Environmental Protection Agency (EPA) has provided the City a Phase II - Environmental Site Assessment Grant in the amount of \$200,000 to facilitate the revitalization of the Old Bremerton Gasworks and McConkey/Sesko properties. These properties are located in the vicinity of 1725 Pennsylvania Avenue (See attached Vicinity Map).

The City staff, in conjunction with EPA's Office of Brownfields Cleanup and Development, shall administer this Grant.

ATTACHMENTS: Council Summary; Vicinity Map; Attachments A, B, C, and D; and U.S. EPA – Cooperative Agreement/Notice of Award, dated 9/19/06

FISCAL IMPACTS (Include Budgeted Amount): EPA Grant fund has been offered at \$200,000 with no City monetary match required as acceptance to this Grant. Currently there is no budget authority to spend these funds. This project is not included in the 2006 budget. A budget adjustment is requested for the receipt and expenditure of these funds.

COUNCIL SUMMARY

ENVIROMENTAL PROTECTION AGENCY GRANT

PHASE II – ENVIROMENTAL SITE ASSESSMENT

OLD BREMERTON GASWORKS & MCCONKEY/SESKO PROPERTIES

Project Description

The site, located at 1725 Pennsylvania Ave., Bremerton, WA, consists of three legal parcels bounded by Thompson Drive to the west, Pennsylvania Avenue and residential properties to the east, the Port Washington Narrows waterway to the north, and another property parcel to the south. For the purpose of this document, the parcels are described as the McConkey (middle and north) and Sesko parcels. See **ATTACHMENT A**.

This site and adjacent properties currently are used for light industrial purposes and storage of various materials, including boat parts and metal debris. Historic uses include a coal gasification plant, petroleum bulk storage and distribution plant, concrete manufacturing plant, sheet metal fabricator, drum storage facilities, boat/vehicle repair facilities, sandblasting, painting, electroplating operations, and salvage yard.

Conditions of known or potential environmental concerns are based on historical operations. An abandoned underground fuel pipeline that once connected an adjacent petroleum bulk plant to a former fuel dock reportedly leaked at one time though no details were provided. Residue deposits and dark stained areas have been observed in historical aerial photographs as noted in the Phase 1 Environmental Site Assessment (ESA) from 1997. The Washington State Department of Ecology (DOE) became involved in the 1990s in response to reports of oil seeps on the Sesko parcel and Port Washington Narrows shoreline. The DOE conducted multiple visits and the site is included on the Confirmed and Suspected Contaminated Sites List (CSCSL).

The properties likely became contaminated through the leaks, spills, and discharges from fuel storage and operations conducted on site. Releases likely occurred in the 1920s-1980s. The Site plan in **ATTACHMENT B** shows the property locations and land overlay from the Phase 1 ESA by Environmental Associates in 1997 and **ATTACHMENT C** shows proposed exploration locations to evaluate the potential for contaminated soil and possible groundwater impacts by GeoEngineers for the McConkey/Sesko properties in 2005. The adjacent property, to the east, formerly used as a petroleum bulk plant, is included in the state's "Confirmed or Suspected Contaminated Site's List" (CSCSL) based on confirmed petroleum related soil and groundwater contamination identified. Existence of migrating petroleum is possible.

Contaminants known or potentially present include petroleum hydrocarbons, metals volatile organic compounds (VOCs), semi-volatile organic compounds (SVOCs), including polycyclic aromatic hydrocarbons (PAHs), polychlorinated biphenyl's (PCBs) and byproducts associated with manufactured gas plants. Information pertaining to

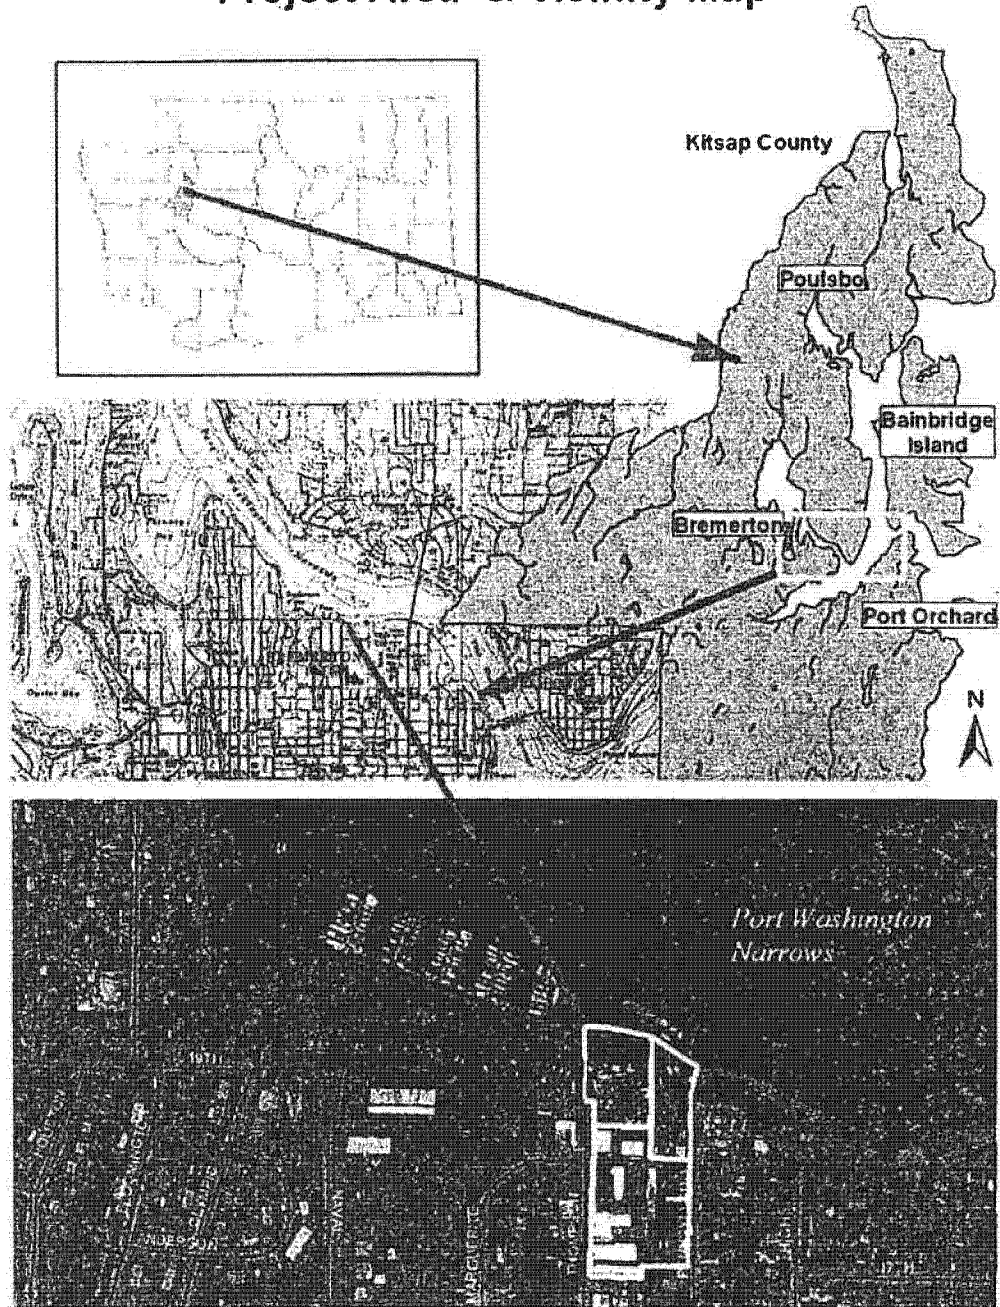

groundwater, surface water, oil seep, or subsurface soil conditions at the site has not been identified. Only two soil samples and one sediment sample have been obtained previously and tested for SVOCs. PAHs were found at concentrations exceeding state cleanup levels.

The *City of Bremerton* (the City) will facilitate the revitalization of this community in cooperation with their partners and interested parties. Because of the complexity of the site characterization needed and the long industrial site history, it is anticipated that assessment costs could exceed \$500,000. Therefore, in addition to the \$200,000 funding provided through this grant, the City will need to seek alternate funding sources, including the EPA *Targeted Brownfields Assessment* program, and Washington State Department of Ecology to complete the analyses required to completely assess this site and obtain state concurrence.

The *Old Bremerton Gas Plant Park & Property Development* project will transform an austere section of Bremerton waterfront while providing increased availability and accessibility of public amenities and jobs to very low, low-moderate-income residents. The development of marine-related businesses and light industrial facilities (see **ATTACHMENT D**, outlining a proposed redevelopment plan) will stimulate economic development within this entire community that will result in a healthy commercial tax base and ease the burden on local taxpayers.

PROJECT TITLE AND DESCRIPTION

Old Bremerton Gasworks and Sesko Properties Petroleum Assessment and Restoration Planning
 This project is to conduct environmental site assessments at the Bremerton Gasworks site. This project also includes a community involvement component.

BUDGET PERIOD	PROJECT PERIOD	TOTAL BUDGET PERIOD COST	TOTAL PROJECT PERIOD COST
10/01/2006 - 09/30/2009	10/01/2006 - 09/30/2009	\$200,000.00	\$200,000.00

NOTICE OF AWARD

Based on your application dated 07/31/2006, including all modifications and amendments, the United States acting by and through the US Environmental Protection Agency (EPA), hereby awards \$200,000. EPA agrees to cost-share 100.00% of all approved budget period costs incurred, up to and not exceeding total federal funding of \$200,000. Such award may be terminated by EPA without further cause if the recipient fails to provide timely affirmation of the award by signing under the Affirmation of Award section and returning all pages of this agreement to the Grants Management Office listed below within 21 days after receipt, or any extension of time, as may be granted by EPA. This agreement is subject to applicable EPA statutory provisions. The applicable regulatory provisions are 40 CFR Chapter 1, Subchapter B, and all terms and conditions of this agreement and any attachments.

Administrative Conditions

1. Payment Information

All recipients must be enrolled to receive funds electronically via the EPA-EFT Payment Process. This electronic funds transfer process was initiated by EPA in response to the Debt Collection Improvement Act of 1996, P.L. 104-134 that requires all federal payments be made via Direct Deposit/Electronic Funds Transfer(DD/EFT). By signing the assistance agreement you are agreeing to receive payment electronically.

In order to receive payments electronically, the ACH Vendor/ Miscellaneous Payment Enrollment Form (SF3881) must be completed and faxed to Marge Pumphrey at (702) 798-2423.

After reviewing and processing the SF3881, the Las Vegas Finance Center (LVFC) will send you a letter assigning you an EFT Control Number, an EPA-EFT Recipient's Manual, and the necessary forms for requesting funds and reporting purposes.

If you need further assistance regarding enrollment, please contact Marge Pumphrey at (702) 798-2492 or by e-mail to: pumphrey.margaret@epa.gov.

Any recipient currently using the Automated Standard Application for Payments (ASAP) system with another government agency should contact Marge Pumphrey at (702) 798-2492 or e-mail to: pumphrey.margaret@epa.gov.

Under any of the above payment mechanisms, recipients may request/draw down advances for their immediate cash needs, provided the recipient meets the requirements of 40 CFR 30.22(b) or 40 CFR 31.21(c), as applicable. Additionally, recipients must liquidate all obligations incurred within 90 calendar days of the project period end date. Therefore, recipients must submit the final request for payment, and refund to EPA any balance of unobligated cash advanced within 90 calendar days after the end of the project period.

2. Cost Principles/Indirect Costs Not Included (All Organizations)

The cost principles of OMB Circular A-21 (Educational Institutions), A-87 (State, Local or Indian Tribal Governments), or A-122 (Non-Profit Organizations) are applicable, as appropriate, to this award. Since there are no indirect costs included in the assistance budget, they are not allowable under this Assistance Agreement.

3. Financial Status Reports (FSRs) and Federal Cash Transactions Reports

INTERIM FSR

If the budget period is longer than one year, or if the agreement is revised to extend the budget period beyond one year, the recipient must submit an annual FSR within 90 days after the end of each anniversary of the agreement. **The interim report may be faxed to (206) 553-4957 or mailed to:**

US Environmental Protection Agency
Grants Administration Unit
1200 Sixth Avenue, OMP-145
Seattle, WA 98101

For agreements with multiple budget activities, separate FSRs must be provided for each of the activities, sites, or budgets, as applicable.

FINAL FSR

The Financial Status Report (FSR), Standard Form 269A (or Standard Form 269 if program income is generated), for this award is due to EPA no later than 90 days after the budget period expires.

FEDERAL CASH TRANSACTIONS REPORTS

The recipient will provide timely reporting of cash disbursements and balances through semi-annual submission (within fifteen (15) days after June 30 and December 31 of each calendar year) of a Federal Cash Transactions Report (SF-272).

The Final FSR and Federal Cash Transactions Reports may be faxed to (702) 798-2423 or mailed to:

US Environmental Protection Agency
Las Vegas Finance Center
P.O. Box 98515
Las Vegas, NV 89193-8515

For additional information, please contact Marge Pumphrey at (702) 798-2492 or email: Pumphrey.Margaret@epa.gov.

4. Audit Requirements

The recipient agrees to comply with the requirements of OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

5. Hotel and Motel Fire Safety Act

Effective October 1, 1994, the recipient agrees to ensure that all conference, meeting, convention, or training space funded in whole or in part with Federal funds, complies with the Hotel and Motel Fire Safety Act of 1990.

6. Recycled Paper

ALL APPLICANTS:

In accordance with EPA Order 1000.25 and Executive Order 13101, *Greening the Government Through Waste Prevention, Recycling, and Federal Acquisition*, the recipient agrees to use recycled paper for all reports which are prepared as a part of this agreement and delivered to EPA. This requirement does not apply to reports prepared on forms supplied by EPA, or to Standard Forms, which are printed on recycled paper and are available through the General Services Administration. Please note that Section 901 of E.O. 13101, dated September 14, 1998, revoked E.O. 12873, *Federal Acquisition, Recycling, and Waste Prevention* in its entirety.

STATE AGENCIES AND POLITICAL SUBDIVISIONS:

Any State agency or agency of a political subdivision of a State which is using appropriated Federal funds shall comply with the requirements set forth in Section 6002 of the Resource Conservation and Recovery Act (RCRA) (42 U.S.C. 6962). Regulations issued under RCRA Section 6002 apply to any acquisition of an item where the purchase price exceeds \$10,000 or where the quantity of such items acquired in the course of the preceding fiscal year was \$10,000 or more. RCRA Section 6002 requires that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in guidelines developed by EPA. These guidelines are listed in 40 CFR 247.

STATE AND LOCAL INSTITUTIONS OF HIGHER EDUCATION, HOSPITALS, AND NON-PROFIT ORGANIZATIONS:

Pursuant to 40 CFR 30.16, State and local institutions of higher education, hospitals, and non-profit organizations that receive direct Federal funds shall give preference in their procurement programs funded with Federal funds to the purchase of recycled products pursuant to EPA's guidelines.

7. Lobbying

ALL RECIPIENTS:

The recipient agrees to comply with Title 40 CFR Part 34, *New Restrictions on Lobbying*. The recipient shall include the language of this provision in award documents for all subawards exceeding \$100,000, and require that subrecipients submit certification and disclosure forms accordingly.

In accordance with the Byrd Anti-Lobbying Amendment, any recipient who makes a prohibited expenditure

under Title 40 CFR Part 34 or fails to file the required certification or lobbying forms shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure.

PART 30 RECIPIENTS:

All contracts awarded by a recipient shall contain, when applicable, the anti-lobbying provision as stipulated in the Appendix at Title 40 CFR Part 30.

Pursuant to Section 18 of the Lobbying Disclosure Act, the recipient affirms that it is not a nonprofit organization described in Section 501(c)(4) of the Internal Revenue Code of 1986; or that it is a nonprofit organization described in Section 501(c)(4) of the Code but does not and will not engage in lobbying activities as defined in Section 3 of the Lobbying Disclosure Act.

8. Lobbying and Litigation

ALL RECIPIENTS:

Pursuant to EPA's annual Appropriations Act, the chief executive officer of this recipient agency shall require that no grant funds have been used to engage in lobbying of the Federal Government or in litigation against the United States unless authorized under existing law. As mandated by this Act, the recipient agrees to provide certification to the award official via EPA Form 5700-53, *Lobbying and Litigation Certificate*, within 90 days after the end of project period.

Recipient shall abide by its respective OMB Circular (A-21, A-87, or A-122), which prohibits the use of federal grant funds for litigation against the United States. Any Part 30 recipient shall abide by its respective OMB Circular (A-21 or A-122), which prohibits the use of Federal grant funds to participate in various forms of lobbying or other political activities.

9. Suspension and Debarment

Recipient shall fully comply with Subpart C of 40 CFR Part 32, entitled "Responsibilities of Participants Regarding Transactions." Recipient is responsible for ensuring that any lower tier covered transaction, as described in Subpart B of 40 CFR Part 32, entitled "Covered Transactions," includes a term or condition requiring compliance with Subpart C. Recipient is responsible for further requiring the inclusion of a similar term or condition in any subsequent lower tier covered transactions. Recipient acknowledges that failing to disclose the information required under 40 CFR 32.335 may result in the delay or negation of this assistance agreement, or pursuance of legal remedies, including suspension and debarment.

Recipient may access the Excluded Parties List System at <http://www.epls.gov>. This term and condition supersedes EPA Form 5700-49, "Certification Regarding Debarment, Suspension, and Other Responsibility Matters."

10. Small and Disadvantaged Business Utilization Requirements (Non-SRF Recipients)

The recipient agrees to comply with the requirements of EPA's Program for Utilization of Small, Minority and Women's Business Enterprises in procurement under assistance agreements:

(a) The recipient accepts the applicable FY2003 Minority Business Enterprise (MBE)/Womens' Business Enterprise (WBE) "fair share" goals/objectives negotiated with EPA by your organization or the Washington Office of Minority and Women's Business Enterprises as follows:

Purchased Goods:	8% MBE	4% WBE
Purchased Services:	10% MBE	4% WBE
Professional Services:	10% MBE	4% WBE

(b) The recipient agrees to ensure, to the fullest extent possible, that at least the applicable "fair share" objectives of Federal funds for prime contracts or subcontracts for supplies, construction, equipment or services are made available to organizations owned or controlled by socially and economically disadvantaged individuals, women and Historically Black Colleges and Universities.

(c) The recipient agrees to include in its bid documents the applicable "fair share" objectives and require all of its prime contractors to include in their bid documents for subcontracts the negotiated "fair share" percentages.

(d) The recipient agrees to follow the six affirmative steps or positive efforts stated in 40 CFR 30.44(b), 40 CFR 31.36(e), or 40 CFR 35.6580, as appropriate, and retain records documenting compliance.

(e) The recipient agrees to submit an EPA form 5700-52A, "MBE/WBE Utilization Under Federal Grants, Cooperative Agreements and Interagency Agreements" as follows:

For grants awarded under 40 CFR Part 35, Subpart A (refer to the Regulatory Authority box shown in the middle of Page 2 of the Assistance Agreement/Amendment), reports are due annually by October 30 of each year (covers the Federal Fiscal Year October 1 - September 30).

For Assistance Agreements/Amendments with institutions of higher education, hospitals and other non-profit organizations awarded under the Regulatory Authority of 40 CFR Part 30, reports are due annually by October 30 of each year (covers the Federal Fiscal Year October 1 - September 30).

Grants awarded under any other Regulatory Authority are due Quarterly. These reports are due beginning with the Federal Fiscal Year quarter the recipient receives the award and continuing until the project period ends. These reports must be submitted within 30 days of the end of the Federal Fiscal Quarter (due dates are January 30, April 30, July 30, and October 30).

All reports must be submitted to the Grants Administration Unit, OMP-145, 1200 Sixth Avenue, Seattle, WA 98101. For further information, please contact Valerie Badon at (206) 553-1141, email: Badon.Valerie@epa.gov.

(f) If race and/or gender neutral efforts prove inadequate to achieve a "fair share" objective, the recipient agrees to notify EPA in advance of any race and/or gender conscious action it plans to take to more closely achieve the "fair share" objective.

EPA may take corrective action under 40 CFR Parts 30, 31, and 35, as appropriate, if the recipient fails to comply with these term and conditions.

11. Small Business in Rural Areas (SBRA)

If a contract is awarded under this assistance agreement, the recipient is also required to utilize the following affirmative steps:

(a) Place SBRA's on solicitation lists.

(b) Make sure that SBRA's are solicited whenever there are potential sources.

(c) Divide total requirements, when economically feasible, into small tasks or quantities to permit maximum participation by SBRA's.

(d) Establish delivery schedules, where the requirements of work permit, which would encourage participation by SBRA's.

(e) Use the services of the Small Business Administration and the Minority Business Development Agency of the U.S. Department of Commerce, as appropriate.

(f) Require the contractor to comply with the affirmative steps outlined above.

There is no formal reporting requirement for SBRA's at this time; it is recommended that the recipient keep records of SBRA participation.

12. Payment to Consultants

EPA participation in the salary rate (excluding overhead and travel) paid to individual consultants retained by recipients or by a recipient's contractors or subcontractors shall be limited to the maximum daily rate for Level IV of the Executive Schedule, to be adjusted annually. This limit applies to consultation services of designated individuals with specialized skills who are paid at a daily or hourly rate. As of January 1, 2006,

the limit is \$548.16 per day (\$68.52 per hour). This rate does not include overhead or travel costs and the recipient may pay these in accordance with its normal travel practices.

Subagreements with firms for services which are awarded using the procurement requirements in 40 CFR Parts 30 or 31, as applicable, are not affected by this limitation unless the terms of the contract provide the recipient with responsibility for the selection, direction, and control of the individuals who will be providing services under the contract at an hourly or daily rate of compensation. See 40 CFR 30.27(b) or 40 CFR 31.36(j)(2), as applicable, for additional information.

NOTE: For future years' limits, the recipient may find the annual salary for Level IV of the Executive Schedule on the following Internet site: <http://www.opm.gov/oca>. Select "Salary and Wages", and select "Executive Schedule". The annual salary is divided by 2087 hours to determine the maximum hourly rate, which is then multiplied by 8 to determine the maximum daily rate.

Programmatic Conditions

1. The attached "Brownfields Assessment Grant Terms and Conditions 2006" is incorporated with this assistance agreement.

2006 BF Assessment.doc

END OF ASSISTANCE AGREEMENT NO. BF-960465-01-0

Brownfields Assessment Grant Terms and Conditions 2006

I. GENERAL FEDERAL REQUIREMENTS

NOTE: For the purposes of these Terms and Conditions the term "assessment" includes, eligible activities under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) 104(k)(2)(A)(i) such as activities involving the inventory, characterization, assessment, and planning relating to brownfield sites as described in the EPA approved work plan.

A. Federal Policy and Guidance

1. a. Cooperative Agreement Recipients: In implementing this agreement, the cooperative agreement recipient (CAR) shall insure that work done with cooperative agreement funds complies with the requirements of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) 104(k). The CAR shall also ensure that assessment activities supported with cooperative agreement funding comply with all applicable Federal and State laws and regulations.
- b. CERCLA 104(g) requires that recipients comply with the prevailing wage rate requirements under the Davis-Bacon Act of 1931 for construction, repair or alteration contracts "funded in whole or in part" with funds provided under this agreement. If the CAR uses funds awarded under this agreement to contract for construction, repair or alteration work, it must obtain recent and applicable wage rates from the U.S. Department of Labor and incorporate them into the construction, alteration or repair contract.
- c. The recipient agrees to comply with Executive Order 13202 (Feb. 22, 2001, 66 Fed. Reg. 11225) of February 17, 2001, entitled "Preservation of Open Competition and Government Neutrality Towards Government Contractors' Labor Relations on Federal and Federally Funded Construction Projects," as amended by Executive Order 13208 (April 11, 2001, 66 Fed. Reg. 18717) of April 6, 2001, entitled "Amendment to Executive Order 13202, Preservation of Open Competition and Government Neutrality Towards Government Contractors' Labor Relations on Federal and Federally Funded Construction Projects.
- d. The recipient must comply with Federal cross-cutting requirements. These requirements include but are not limited to, MBE/WBE requirements found at 40 CFR 31.36(e) or 40 CFR 30.44(b); OSHA Worker Health & Safety Standard 29 CFR 1910.120; the Uniform Relocation Act; National Historic Preservation Act; Endangered Species Act; and Permits required by Section 404 of the Clean Water Act; Executive Order 11246, Equal Employment Opportunity, and implementing regulations at 41 CFR 60-4; Contract Work Hours and Safety Standards Act, as amended (40 USC 327-333) the Anti Kickback Act (40 USC 276c) and Section 504 of the Rehabilitation Act of 1973 as implemented by Executive Orders 11914

B. Eligible Brownfields Site Determinations

1. a. The CAR must provide information to EPA about site-specific work prior to incurring any costs under this cooperative agreement for sites that have not already been pre-approved in the CAR's work plan by the EPA. The information that must be provided includes whether or not the site meets the definition of a brownfield site as defined in §101(39) of CERCLA, the identity of the owner, and the date of acquisition.
 - b. If the site is excluded from the general definition of a brownfield, but is eligible for a property-specific funding determination, then the CAR must provide information sufficient for EPA to make a property-specific funding determination. The CAR must provide sufficient information on how financial assistance will protect human health and the environment, and either promote economic development or enable the creation of, preservation of, or addition to parks, greenways, undeveloped property, other recreational property, or other property used for nonprofit purposes. The CAR must not incur costs for assessing sites requiring a property-specific funding determination by EPA until the EPA Project Officer has advised the CAR that the Agency has determined that the property is eligible.
2. a. For any petroleum contaminated brownfield site that is not included in the CAR's EPA approved work plan, the CAR shall provide sufficient documentation to the EPA prior to incurring costs under this cooperative agreement which includes (see the latest version of EPA's *Proposal Guidelines for Brownfields Assessment, Revolving Loan Fund and Cleanup Grants* for discussion of this element):
 - (1) that a State has determined that the petroleum site is of relatively low risk, as compared to other petroleum-only sites in the State,
 - (2) that the State determines there is "no viable responsible party" for the site;
 - (3) that the State determines that the person assessing or investigating the site is a person who is not potentially liable for cleaning up the site; and
 - (4) that the site is not subject to any order issued under section 9003(h) of the Solid Waste Disposal Act.This documentation must be prepared by the CAR or the State following contact and discussion with the appropriate petroleum program official.
 - b. Documentation must include the identity of the State program official contacted, the State official's telephone number, the date of the contact, and a summary of the discussion relating to the state's determination that the site is of relatively low risk, that there is no viable responsible party and that the person assessing or investigating the site is a person who is not potentially liable for cleaning up the site. Other documentation provided by a State to the recipient relevant to any of the determinations

by the State must also be provided to the EPA Project Officer.

- c. If the State chooses not to make the determinations described in 2.a. above, the CAR must contact the EPA Project Officer and provide the information necessary for EPA to make the requisite determinations.
- d. EPA must also make all determinations on the eligibility of petroleum contaminated brownfield sites located on Indian tribal lands. Prior to incurring costs for these sites, the CAR must contact the EPA Project Officer and provide the information necessary for EPA to make the determinations described in 2.a. above.

II. GENERAL COOPERATIVE AGREEMENT ADMINISTRATIVE REQUIREMENTS

A. Term of the Agreement

- 1. The term of this agreement is three years from the date of award, unless otherwise extended by EPA at the CAR's request.
- 2. If after 1½ years from the date of award, EPA determines that the CAR has not made sufficient progress in implementing its cooperative agreement, the Agency may terminate this agreement.
- 3. Assessment funding for any eligible brownfield site may not exceed \$200,000 unless a waiver has been granted by EPA and then funding is not to exceed \$350,000 at the site subject to the waiver.

B. Substantial Involvement

- 1. The U.S. EPA may be substantially involved in overseeing and monitoring this cooperative agreement.
 - a. Substantial involvement by the U.S. EPA generally includes administrative activities such as: monitoring; review of project phases; and approval of substantive terms included in professional services contracts.
 - b. Substantial EPA involvement also includes brownfields property-specific funding determinations described in I.B. under *Eligible Brownfields Site Determinations* above. If the CAR awards a subgrant for site assessment, the CAR must obtain technical assistance from EPA on which sites qualify as a brownfield site and determining whether the statutory prohibition found in section 104(k)(4)(B)(i)(IV) of CERCLA applies. This prohibition precludes the subgrantee from using EPA funds to assess a site for which the subgrantee is potentially liable under §107 of CERCLA.

- c. Substantial EPA involvement may include reviewing financial and environmental status reports; and monitoring all reporting, record-keeping, and other program requirements.
 - d. EPA may waive any of the provisions in term and condition II.B.1., with the exception of property-specific funding determinations. EPA will provide waivers in writing.
2. Effect of EPA's substantial involvement includes:
- a. EPA's review of any project phase, document, or cost incurred under this cooperative agreement, will not have any effect upon CERCLA §128 *Eligible Response Site* determinations or for rights, authorities, and actions under CERCLA or any Federal statute.
 - b. The CAR remains responsible for ensuring that all assessments are protective of human health and the environment and comply with all applicable Federal and State laws.
 - c. The CAR and its subgrantees remain responsible for incurring costs that are allowable under the applicable OMB Circulars.

C. Cooperative Agreement Recipient Roles and Responsibilities

- 1. The CAR must acquire the services of a qualified environmental professional(s) to coordinate, direct, and oversee the brownfields assessment activities at a particular site, if they do not have such a professional on staff.
- 2. The CAR is responsible for ensuring that contractors and subgrant recipients comply with the terms of their agreements with the CAR, and that agreements between the CAR and subgrant recipients and contractors are consistent with the terms and conditions of this agreement.
- 3. Subgrants are defined at 40 CFR 31.3. The CAR may not subgrant to for-profit organizations. The CAR must obtain commercial services and products necessary to carry out this agreement under competitive procurement procedures as described in 40 CFR 31.36. In addition, EPA policy encourages awarding subgrants competitively and the CAR must consider awarding subgrants through competition.
- 4. The CAR is responsible for assuring that EPA's Brownfields Assessment Grant funding received under this grant, or in combination with any other previously awarded Brownfields Assessment grant does not exceed the \$200,000 assessment grant funding limitation for an individual brownfield site. Waiver of this funding limit for a brownfields site must be approved by EPA prior to the expenditure of funding exceeding \$200,000. In no case may EPA funding exceed \$350,000 on a site receiving a waiver.

(Note: Cooperative Agreement Recipients expending funding from a community-wide

assessment grant on a particular site must include such funding amount in any total funding expended on the site.)

D. Quarterly Progress Reports

1. The CAR must submit progress reports on a quarterly basis (30 days after the end of each Federal fiscal quarter) to the EPA Project Officer. The progress reports must document incremental progress at achieving the project goals and milestones. Quarterly progress reports must include:
 - a. Documentation of progress at meeting performance outcomes/outputs, project narrative, project time line and an explanation for any slippage in meeting established output/outcomes.
 - b. An update on project milestones.
 - c. A budget recap summary page with the following headings: Current Approved Budget; Costs Incurred this Quarter; Costs Incurred to Date; and Total Remaining Funds.
 - d. If applicable, quarterly reports must specify costs incurred at petroleum contaminated brownfields sites.
 - e. Recipient quarterly reports must clearly identify which activities performed during the reporting period were undertaken with EPA funds, and must relate EPA-funded activities to the objectives and milestones agreed upon in the work plan including a list of sites where assessment activities were completed. To the extent consistent with the EPA approved work plan for this agreement, activities undertaken with EPA funds to be included in quarterly performance and financial reporting may include:
 1. Acres per property
 2. Assessments started/completed
 3. No cleanup required
 4. Types of contaminants found
 5. Acres of greenspace created
 6. Engineering/institutional controls required, what type and whether they are in place
 7. Cleanup plans
 8. Redevelopment underway
 9. Funds leveraged
 10. Jobs leveraged
 11. Health monitoring studies, insurance, institutional controls funded
2. The CAR must maintain records that will enable it to report to EPA on the amount of funds expended on specific sites under this grant.
3. The CAR must maintain records that will enable it to report to EPA on the amount of funds expended by the CAR at petroleum sites identified in the EPA approved work plan.
4. The CAR must complete and submit relevant portions of the Property Profile Form reporting the commencement of a Phase I assessment, the expenditure of \$1,000 or more

of grant funds at a property or the completion of a property assessment. The CAR must submit the updated Property Profile Form reflecting such events within 30 days after the end of the Federal fiscal quarter in which the event occurred. The CAR may be provided access to an on-line reporting system by the EPA Project Officer to perform their reporting requirements. Alternately, the CAR may complete a hard copy version of the Property Profile Form available from their EPA Project Officer or on-line at: <http://www.epa.gov/brownfields/pubs/rptforms.htm>

5. In accordance with 40 C.F.R. § 31.40 (d), the recipient agrees to inform EPA as soon as problems, delays or adverse conditions become known which will materially impair the ability to meet the outputs/outcomes specified in the assistance agreement work plan.

III. FINANCIAL ADMINISTRATION REQUIREMENTS

A. Eligible Uses of the Funds for the Cooperative Agreement Recipient

1. To the extent allowable under the work plan, cooperative agreement funds may be used for eligible programmatic expenses to inventory, characterize, assess, and conduct planning and outreach. Eligible programmatic expenses include activities described in Section IV of these Terms and Conditions. In addition, such eligible programmatic expenses may include:
 - a. Determining whether assessment activities at a particular site are authorized by CERCLA 104(k);
 - b. Ensuring that an assessment complies with applicable requirements under Federal and State laws, as required by CERCLA 104(k);
 - c. Using a portion of the grant to purchase environmental insurance for the characterization or assessment of the site. Funds may not be used to purchase insurance intended to provide coverage for any of the Ineligible Uses under Section B.
 - d. Any other eligible programmatic costs including direct costs incurred by the recipient in reporting to EPA; procuring and managing contracts; awarding and managing subgrants to the extent allowable under III. B. 2.; and carrying out community involvement pertaining to the assessment activities.

B. Ineligible Uses of the Funds for the Cooperative Agreement Recipient

1. Cooperative agreement funds shall not be used by the CAR for any of the following activities:
 - a. Cleanup activities;
 - b. Development activities that are not brownfields assessment activities (e.g.,

construction of a new facility);

- c. Job training unrelated to performing a specific assessment at a site covered by the grant;
 - d. To pay for a penalty or fine;
 - e. To pay a federal cost share requirement (for example, a cost-share required by another Federal grant) unless there is specific statutory authority;
 - f. To pay for a response cost at a brownfields site for which the recipient of the grant or subgrant is potentially liable under CERCLA §107;
 - g. To pay a cost of compliance with any federal law, excluding the cost of compliance with laws applicable to the assessment; and
 - h. Unallowable costs (e.g., lobbying and fund raising) under applicable OMB Circulars.
2. Under CERCLA 104(k)(4)(B), administrative costs are prohibited costs under this agreement. Prohibited administrative costs include all indirect costs under applicable OMB Circulars.
- a. Ineligible administrative costs include costs incurred in the form of salaries, benefits, contractual costs, supplies, and data processing charges, incurred to comply with most provisions of the *Uniform Administrative Requirements for Grants* contained in 40 CFR Part 31. Direct costs for grant administration, with the exception of costs specifically identified as eligible programmatic costs, are ineligible even if the grant recipient is required to carry out the activity under the grant agreement.
 - b. Ineligible grant administration costs include direct costs for:
 - (1) Preparation of applications for Brownfields grants;
 - (2) Record retention required under 40 CFR 31.42;
 - (3) Record-keeping associated with supplies and equipment purchases required under 40 CFR 31.32 and 31.33;
 - (4) Preparing revisions and changes in the budgets, scopes of work, program plans and other activities required under 40 CFR 31.30;
 - (5) Maintaining and operating financial management systems required under 40 CFR 31;
 - (6) Preparing payment requests and handling payments under 40 CFR 31.21;

(7) Non-federal audits required under 40 CFR 31.26 and OMB Circular A-133;
and

(8) Close out under 40 CFR 31.50.

3. Cooperative agreement funds may not be used for any of the following properties:
 - a. Facilities listed, or proposed for listing, on the National Priorities List (NPL);
 - b. Facilities subject to unilateral administrative orders, court orders, administrative orders on consent or judicial consent decree issued to or entered by parties under CERCLA;
 - c. Facilities that are subject to the jurisdiction, custody or control of the United States government except for land held in trust by the United States government for an Indian tribe; or
 - d. A site excluded from the definition of a brownfields site for which EPA has not made a property-specific funding determination.

C. Interest -Bearing Accounts and Program Income

1. In accordance with 40 CFR 31.25(g)(2), the CAR is authorized to add program income to the funds awarded by the EPA and use the program income under the same terms and conditions of this agreement. Program income for the assessment CAR shall be defined as the gross income received by the recipient, directly generated by the cooperative agreement award or earned during the period of the award. Program income includes, but is not limited to, fees charged for conducting assessment, site characterizations, clean up planning or other activities when the costs for the activity is charged to this agreement.
2. The CAR must deposit advances of grant funds and program income (e.g., fees) in an interest bearing account.
 - a. Interest earned on advances, CARs are subject to the provisions of 40 CFR §31.21(i) to remitting interest on advances to EPA on a quarterly basis.
 - b. Interest earned on program income is considered additional program income.

IV. ASSESSMENT ENVIRONMENTAL REQUIREMENTS

A. Authorized Assessment Activities

1. Prior to conducting or engaging in any on-site activity with the potential to impact historic properties (such as invasive sampling), the CAR shall consult with EPA regarding

potential applicability of the National Historic Preservation Act and, if applicable, shall assist EPA in complying with any requirements of the Act and implementing regulations.

B. Quality Assurance (QA) Requirements

1. When environmental samples are collected as part of the brownfields assessment, the CAR shall comply with 40 CFR Part 31.45 requirements to develop and implement quality assurance practices sufficient to produce data adequate to meet project objectives and to minimize data loss. State law may impose additional QA requirements.

C. Completion of Assessment Activities

1. The CAR shall properly document the completion of all activities described in the EPA approved work plan. This must be done through a final report or letter from a qualified environmental professional, or other documentation provided by a State or Tribe that shows assessments are complete.

D. All Appropriate Inquiry

1. As required by CERCLA §104(k)(2)(B)(ii) and CERCLA §101(35)(B), the CAR shall ensure that a "Phase I" site characterization and assessment carried out under this agreement will be performed in accordance with EPA's standard for all appropriate inquiries. The CAR shall utilize the practices in ASTM standard E1527-05 "Standard Practices for Environmental Site Assessment: Phase I Environmental Site Assessment Process," or EPA's All Appropriate Inquiries Final Rule. This does not preclude the use of grant funds for additional site characterization and assessment activities that may be necessary to characterize the environmental impacts at the site or to comply with applicable State standards.

V. CONFLICT OF INTEREST: APPEARANCE OF LACK OF IMPARTIALITY

A. Conflict of Interest

1. The CAR shall establish and enforce conflict of interest provisions that prevent the award of subgrants that create real or apparent personal conflicts of interest, or the CAR's appearance of lack of impartiality. Such situations include, but are not limited to, situations in which an employee, official, consultant, contractor, or other individual associated with the CAR (affected party) approves or administers a grant or subgrant to a subgrant recipient in which the affected party has a financial or other interest. Such a conflict of interest or appearance of lack of impartiality may arise when:
 - (i) The affected party,
 - (ii) Any member of his immediate family,
 - (iii) His or her partner, or
 - (iv) An organization which employs, or is about to employ, any of the above,

has a financial or other interest in the subgrant recipient.

Affected employees will neither solicit nor accept gratuities, favors, or anything of monetary value from subgrant recipients. Recipients may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards of conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by affected parties.

VI. PAYMENT AND CLOSEOUT

A. Payment Schedule

1. The CAR may request payment from EPA pursuant to 40 CFR §31.21(c).

B. Schedule for Closeout

1. Closeout will be conducted in accordance with 40 CFR 31.50.
